QUESTION 2**Part A**

En. Zulfikri had acquired a landed property from Mr. David for RM274,725. He signed the agreement on 15 July 2014 and settled the payment using a bank loan on 30 September 2014. The property ownership was then transferred to his name on 30 November 2014. In acquiring the property, En. Zulfikri incurred stamp duty of RM4,495 and legal fees of RM2,373.

Upon acquisition, En. Zulfikri spent RM37,851 on extending and renovating the property. On 10 April 2015, the property was partially damaged by fire and he received insurance compensation of RM48,420. In September 2015, the property was flooded and he managed to make an insurance recovery of RM12,088 from his insurer.

In October 2016, En. Zulfikri was approached by a buyer to purchase the property who paid a deposit of RM6,600 and proceeded to make an application for a bank loan. The buyer however, was not successful in his application and as per the agreement, En Zulfikri then forfeited the deposit of RM6,600.

En. Zulfikri's ex-wife had filed a claim on the property and En Zulfikri retained a lawyer to successfully defend his right to total ownership. The legal fee was RM7,700.

En. Zulfikri sold the property to Jardin for RM354,200 and an agreement for the sale was signed on 15 April 2017. The payment was fully settled on 16 May 2017. The ownership was transferred to Jardin on 17 June 2017.

In securing a buyer for the property, En Zulfikri had incurred the following expenditure:

- a) valuation fee RM5,495
- b) brokerage fee RM7,692
- c) advertisement: RM977

En. Zulfikri had incurred an interest charge of RM51,318 on the bank loan he took to buy the property.

Continued...

Required:

In relation to the Real Property Gains Tax 1976 (as amended), compute the chargeable gain arising from the disposal of the property, after exemption under Schedule 4 of the said Act.

(10 marks)

Part B

QUESTION 5

Under Public Ruling No. 11/2014, a person who has been granted a concession or license and carries on a business of timber extraction is entitled to claim forest allowances on expenditure incurred on the construction in the forest of:

- (a) roads or buildings which are used for the purposes of the business of extracting timber. As a concession, bridges or jetties constructed for such business would also qualify for the allowances specified; or
- (b) buildings provided for the purposes of welfare or living accommodation of employees engaged in the extraction of timber.

Case 1

Timberland Sdn Bhd was granted a timber concession by the Pahang state government in March 2014. The period of concession is for 6 years. Timberland started its business of timber extraction in September 2014. Normally, it closes accounts on 30 June every year, following the closing date of the holding company's accounts.

Between July 2014 to September 2014, Timberland incurred expenditure on the construction of:

Date	Expenditure	RM
3 July 2014	Construction of laterite road	80,000
7 August 2014	Construction of site office in forest	120,000
1 September 2014	Construction of worker's quarters	200,000

Case 2

Refer to case 1, except Timberland ceased its business in December 2017 and the forest is disposed of to Agroland Sdn Bhd for a consideration of RM600,000.

Continued...

Case 3

Refer to case 2, after disposing and worked out from forest business, Timberland made an election to have the amount of forest charges spread back.

Required:

- a) Calculate forest allowance that can be claimed for 6 years on the above expenditures.
(6 marks)
- b) Calculate forest allowance and forest charge that can be claimed up to the year of assessment of cessation in 2017.
(5 marks)
- c) Calculate forest allowance and forest charge that can be claimed up to the year of assessment when Timberland made election.
(9 marks)
